

# WHAT'S IN YOUR WELL WATER?

## Individualized well water testing kits available for Watchung residents

In conjunction with the **Mayor's Wellness Campaign, Watchung Walks**

- Create a testing kit that is specific to your well and budget
- Water samples must be taken the morning they are returned
- Results will be emailed within 2-3 weeks after returning sample

**Location: Watchung Lake**

**Test kit pickup: Monday, June 27<sup>th</sup> at 6:45-7:45 pm**

**Sample return: Wednesday, June 29<sup>th</sup> at 7:00-9:30 am**

Kits supplied by Raritan Headwaters 2121 Larger Cross Rd. Bedminster, NJ 07934 908-234-1852 x 401
